

Co-funded by:

UNIÃO EUROPEIA
Fundo Social Europeu

Project No. | 46695

Project Title | Allcost - Training teams for success

Support under the Incentive System | Operational Programme for Competitiveness and Internationalization

Main Objective. | Promotion of sustainability and quality of employment, and support for worker mobility

Intervention Region | North

Beneficiary Entity | Allcost - Têxteis Para Hotelaria, Lda

Approval Date | 21-04-2020

Start Date | 01-07-2020

Completion Date | 30-06-2022

Total Eligible Cost | €108,883.26

European Union Financial Support | FSE - €55,800.00

OBJECTIVES

Faced with the need to keep up with the changes resulting from globalization, organizations must prepare their Human Resources for such changes and align them with the company's objectives, so that they can maintain and/or become holders of qualified productivity with a competitive advantage.

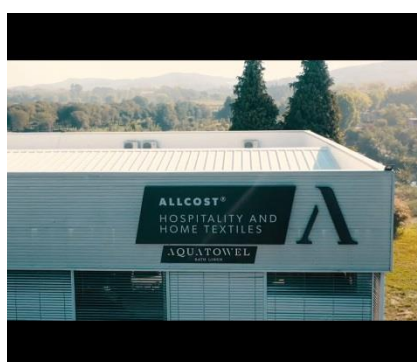

RESULTS TO BE ACHIEVED

100% - Degree of completion of the activities planned in the training plan, measured through the ratio between the number of scheduled training hours and the number of training hours carried out within the project.

100% - Percentage of employees who, through survey methods, consider themselves more capable in terms of innovation and management, in relation to the total number of employees involved.
